<b>Number of students (maximum 30)</b>						
<b>Length of project</b> <i>Please tick</i>	One-off workshop	Longer project <i>(to be discussed)</i>	One-off workshop	Longer project <i>(to be discussed)</i>	One-off workshop	Longer project <i>(to be discussed)</i>
	Dancing the Curriculum		Dancing with the Community		Dancing without Barriers	
<b>Dates*</b> <i>Please give an indication of potential dates you would like – a rough idea is acceptable at this stage i.e. spring term</i>						

*\*Please note that we cannot guarantee your first choice on dates for your project request: all bookings will be discussed directly with a member of the Green Candle team before confirming.*

**If you have chosen ‘Dancing with the Community’ there are a number of options for project delivery. Please consider the options below and select the model that you would be interested in:**

- |   |                          |
|---|--------------------------|
|   | <i>Please tick</i>       |
| <b><u>1. Sharing projects:</u></b>  |                          |
| Green Candle will deliver a series of sessions to create a small performance with the school students which is then performed at an older people’s community group or care home. In addition the students will then take part in a dance class with the older people. | <input type="checkbox"/> |
| <b><u>2. Workshops:</u></b>   |                          |
| Pupils attend a workshop or series of sessions in which they take part in dance classes with older people, either in care homes or in community settings  | <input type="checkbox"/> |
| <b><u>3. Performance projects:</u></b>  |                          |
| Active older participants and school students come together to dance in a series of sessions leading to an intergenerational performance that could be performed in school or elsewhere   | <input type="checkbox"/> |
